JAZZ IN THE GARDEN

ARAVINA ESTATE WITH VINCE JONES (NSW)

SUNDAY 10 NOVEMBER, 12PM – 4.30PM

The best of all worlds collides for Jazz in the Garden: beautiful surrounds, incredible food and wine, and performances from some of Australia's finest jazz musicians including headliner Vince Jones, who has entranced audiences with his mellifluous tenor voice alongside his eloquent trumpet playing since the '80s.

You are invited to escape to Aravina Estate, located in the stunning Yallingup region, and set on 180 acres of expansive, rolling hills and vineyards. Kick back on your picnic blanket (or low chair) on the tiered, terraced lawn while sampling delicious local wines and food on site.

"Jones' effortless, sublime voice and command of his beloved trumpet will have you swooning under his captivating spell"
– Iain Shedden, The Australian
